Content

1 Welcome 1

1.1 Prof. Jeff Anderson, Georgetown University, School of Foreign Services, BMW Center for German and European Studies (CGES) 1

1.2 Prof. Dr. Arnold Picot, Miinchner Kreis and Konrad Adenauer Visiting Professor (CGES), Georgetown University 2

2 Telecommunication Industries in Transition: Winning the Future through Innovation and Change 5
Chair: Prof. Dr. Arnold Picot, Miinchner Kreis and Georgetown University

2.1 Dr. Thomas Ganswindt, Siemens AG 5
2.2 Discussion 35

3 All IP - All IT - All Wireless: The Drivers of Change 41
Chair: Prof. Dr. Jorg Eberspacher, Munich University of Technology

3.1 Gary A. Cohen, General Manager, Global Communications Sector, IBM Corp. 41
3.2 Christine Heckart, Juniper Networks Inc., Sunnyvale 48
3.3 Di\ Thomas Ganswindt, Siemens AG, Munchen 51
3.4 Discussion 58

4 Technology as Driver of Change in Telecommunications 69
Prof. Robert Calderbank, Princeton University
5 Market Structures and Business Models of the Future  
Consolidation or Persisting Turbulence -  
Monopolization or Fragmentation:  
What will Future Telco-Markets look like?  

Chair: Prof. Dennis Lockhart, Georgetown University

5.1 Perspective from USA  
Prof. Eli Noam, Columbia University, Graduate School of Business, Columbia Institute for Tele-Information (CITI)

5.2 Perspective from Europe  
Dr. Karl-Heinz Neumann, General Manager WIK - Scientific Institute for Communication Services, Bad Honnef

5.3 Discussion

6 Determinants of Future Market Success  
Chair: Prof. Dr. Thomas Hess, University of Munich

6.1 Prof. Michael Dowling, University of Regensburg
6.2 Eckart Pech, Detecon Inc., Reston
6.3 Prof. Dr. Rolf T. Wigand, University of Arkansas at Little Rock
6.4 Discussion

7 How Much and What Kind of Regulation Will be Needed in the Networked World of Tomorrow?  
Chair: Prof. Dr. Arnold Picot, Münchener Kreis und Georgetown University

7.1 Prof. John W. Mayo, Georgetown University
7.2 Prof. Stephen C. Littlechild, Judge Institute, University of Cambridge, UK
7.3 J. Gregory Sidak, American Enterprise Institute
7.4 Prof. Justus Haucap, Ruhr-University of Bochum
7.5 Prof. Robert C. Atkinson, Columbia Institute for Tele-Information (CITI)
7.6 Stefan Doeblin, Chairman Network Economy Group

Appendix
List of Speakers and Chairmen
